

**GREEN ROUTE**

Traffic travelling from the North West (M5 Junction 11A and Cheltenham) should follow the A417(T) south. From a point on the approach to 'Burford Road Junction', traffic should then follow signage to the Green Car Parks

From the West, follow the Cirencester ring road to the south of the town and use the old A419 past South Cerney airfield. Carry straight on at the first roundabout and follow the road parallel to the A419(T). At the second roundabout turn left, over the A419(T) and bear right towards Latton. Turn left to Down Ampney and follow signs to the Green car parks

**RED ROUTE**

Traffic from the North East should approach via Burford and Lechlade, then follow signage to pass through Whelford village and into the Red Car Parks.

Traffic on the A420 should avoid approaching Lechlade from the South East.

**BLUE ROUTE**

Traffic from the M4, the South and South East should exit at Junction 15 and travel north along the A419(T) then, after Cricklade, depart left onto the C124 towards Kempford and follow Police directions to the Blue Car Parks

**BROWN ROUTE**

Traffic coming from the South West, West and Bristol on the M4 should exit at Junction 17 and travel north towards Malmesbury, turning north east on to the B4040 towards Minety and then north on the B4696 towards Ashton Keynes (Cotswold Water Park). After crossing the A419(T), traffic will arrive at the 'Spine Road Junction' and should then follow signage to the Car Parks

**Disclaimer**

The information within this map is based upon or drawn from various authoritative sources and whilst all reasonable care has been taken in the preparation of this map no warranties can be given as to its accuracy and/or no reliance should be placed upon the same without further detailed inspection and survey. The publishers cannot therefore accept any liability or responsibility for any loss or damage and indeed would be grateful to receive notification of any errors or inconsistencies. No reproduction whatsoever of this map or any part thereof is permitted without the prior consent of the copyright owners.

Respect the land around the base, and do not trespass on or damage any property. Take your rubbish and litter home with you. Do not park in front of crash gates, or on the access tracks leading to them. You will almost certainly be asked move your vehicle as parking here can impede rapid access by the airfield crews to any emergency.

# UK MILITARY AIRFIELDS GUIDE

Peregrine Bush

- 78 pages
- A4 (210mm x 297mm)
- Full colour

£21.99

plus Postage & packing

## Key Features:

- UK location map of all military airfields
- Full coverage of 23 major operational airfields. Includes detailed airfield map, a brief description, active flying units and airfield radio frequencies
- Coverage of 29 minor military, satellite and recently closed airfields in the UK. Includes airfield map, a brief description, active flying units and radio frequencies
- List of other airfields used by the Volunteer Gliding Squadrons
- UK map of Low Fly Areas (LFAs)
- Summary of stations, squadrons and aircraft type

The first edition of UK Military Airfields Guide is a comprehensive book of military airfield establishments.

This guide has been produced for aviation enthusiasts, spotters and photographers. It includes the United Kingdom's military airfield establishments featuring full colour maps of the Royal Air Force, Royal Navy, British Army, United States Air Force and the Ministry of Defence.

This essential guide features maps of the major operational airfields with associated units with airfield radio frequencies plus maps of minor, satellite and recently closed airfields.

A brief commentary has been provided to illustrate the operator, units and activities to the airfield. Where possible a location for airfield observation and photography is provided.

Additionally a useful guide listed by number to the squadrons and units at each of the airfields featured in this publication.
